

2021 Dario Estate Pinot Noir

The Dario Estate Pinot Noir consists of fruit from our entire vineyard of Dijon 777, 115, 114, 667 and Pommard clones. Potter's Vineyard was planted in 2001 at 700 feet elevation in the newly established Laurelwood District, a sub-AVA of the Chehalem Mountains and Willamette Valley AVA's in Oregon.

2021 delivered another balanced vintage with high heat early when the berries could handle it but steady heat the rest of the summer and a cool September. There was little disease pressure, sufficient ripening, good acidity, and great flavors.
