

2021 Barrel Select Pinot Noir

The Barrel Select Pinot Noir consists of our Estate vineyard clones of Dijon 667, 777, and 114. Potter's Vineyard was planted in 2001 at 700 feet elevation in the newly established Laurelwood District, a sub-AVA of the Chehalem Mountains and Willamette Valley AVA's in Oregon.

2021 delivered another balanced vintage with high heat early when the berries could handle it but steady heat the rest of the summer and a cool September. There was little disease pressure, sufficient ripening, good acidity, and great flavors.
