

2022 Dario Estate Pinot Noir

The Dario Estate Pinot Noir consists of fruit from our entire vineyard of Dijon 777, 115, 114, 667 and Pommard clones. Potter's Vineyard was planted in 2001 at 700 feet elevation in the newly established Laurelwood District, a sub-AVA of the Chehalem Mountains and Willamette Valley AVA's in Oregon.

2022 was a year to remember with an early frost and very cold and wet May and June. We experienced 80% loss of primary buds due to frost. However, our healthy and resilient vineyard recovered quickly, and we were blessed with amazing fall weather, extended hang time without excess sugar accumulation, sufficient ripening, lowered yields, and acidity, but great flavors.
