

2022 Estate Reserve Pinot Noir

Our Estate Reserve Pinot Noir consists of our very best clones of Pommard and Dijon 777. Potter's Vineyard was planted in 2001 at 700 feet elevation in the newly established Laurelwood District, a sub-AVA of the Chehalem Mountains and Willamette Valley AVA's in Oregon.

2022 was a year to remember with an early frost and very cold and wet May and June. We experienced 80% loss of primary buds due to frost. However, our healthy and resilient vineyard recovered quickly, and we were blessed with amazing fall weather, extended hang time without excess sugar accumulation, sufficient ripening, lowered yields, and acidity, but great flavors.

- Laurelwood soil
- Farmed organically
- LIVE, Salmon Safe & Bee Friendly Farming Certified
- Gentle handling with gravity transfer
- Sur lie aging with battonage
- New French Oak (50%)
- All free run barrels
- Aged in barrel for 11 months
